

Certificate of Registration

ENVIRONMENTAL MANAGEMENT SYSTEM - ISO 14001:2004

This is to certify that:

**Premier Farnell (UK) Ltd
Trading as Farnell InOne
International Distribution Centre**
Castleton Road
Armley
Leeds
LS12 2EN
United Kingdom

Holds Certificate No: **EMS 74045**

and operates an Environmental Management System which complies with the requirements of ISO 14001:2004 for the following scope:

The marketing of a wide range of electronic, electrical and associated products via tailored stock catalogues, promotional literature and interactive web site. Sales, stockholding and distribution of products is managed through a network of Business Contact and Distribution Centres situated world-wide giving ex-stock availability, consigned stock and access to an extensive range of other, non-catalogue items to support a wide range of customer need including the electronic design engineer, production, maintenance requirements, education etc. The range includes electronic, electrical, pneumatic and mechanical components, hand and power tools, test equipment, computer peripherals, audio/visual products, office equipment, electrochemical products and other support equipments etc.

For and on behalf of BSI:

Managing Director, BSI Management Systems (UK)
